To Luca Visentini, ITUC General Secretary

*Dear Luca,*

The Nordic trade unions and NFS wish to offer our warmest congratulations to you on being elected the General Secretary of the ITUC.

It is our hope that the ITUC will grow into an even stronger organisation continuing to fight for and defending the rights for the workers of the world, advocating trade union rights, promoting the conditions for the social contract, and continuing the proud legacy of the International Trade Union Movement as a peace movement.

We look forward to a fruitful collaboration these coming years between our Trade Unions, the NFS and the ITUC, you and your team.

Best wishes,

Peggy Hessen Følsvik  
President NFS and LO Norway

Magnus Gissler  
General Secretary
